

NUMBERS ARE FUN!

Grade 3 Mathematics • South African CAPS Journey

PLACE VALUE

Every number has a home!
Hundreds, Tens, Units.

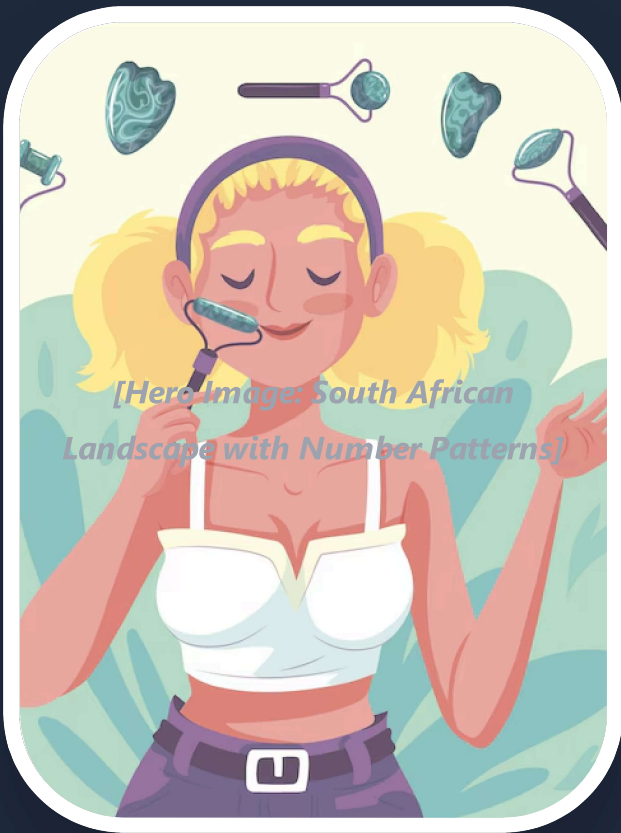

FRACTIONS

Sharing is caring! We use
halves, quarters, and eighths.

BIG NUMBERS

In Grade 3, we count all the
way up to 1 000!

ZA MONEY

100 Cents = R1.00
Count your Rands and cents
carefully!

Number Patterns

Jump in 2s, 3s, 4s, 5s, 10s, 20s, 25s, 50s
and 100s! Look for the secret pattern rule.

Operations

Addition (+), Subtraction (-), Multiplication
(x) and Division (÷). Practice makes perfect!

Challenge

Can you write the number name for 842?
(Eight hundred and forty-two)
